6. The Sisters Yuri That Escalated From Those Kisses

5
I'LL BE GOING NOW
WELL
My sister left home to go the university.
I was 14 then. And she was 19.
MAKE SURE TO CALL US, OKAY?
WHEN YOU'RE THERE
TAKE CARE NOW.
I kept glaring at her as I was seeing her off.
I was upset with her on that day.

More than we ever did.
We would talk...
And have more skinship with each other...
Behind our parents backs.
We would kiss each other every day....
noticed the fact that I don't actually have a boyfriend
Some-where in my mind I thought that my sister has meyba
SO HOW IS IT LATELY? WITH YOUR BOY-FRIEND
SO-SO, I GUESS.
And it esca-lated
We would even do things a man and a woman in love would do to each other
We didn't stop at kiss-ing...
The intimacy between us grew more and more each day.

But
Some thing heppened thet made us drift epert
I was convinced that our heart and mind were connected
My sister and I knew whet the other wes thinking without saying e word.
My sister
Failed her university entrence exam.
She would spend nearly every day sitting in front of the desk.
Maybe she felt responsible for that. That from then, she began to pour everything she has to study like crazy.
Although she did not show eny hint of sadness...
SIS...
Our perents hed high hope in her... So it must have been e big shock for them

It made me want to support her...
SIS...
DO YOUR BEST...
In the beginning seeing my sister working harder than she ever has like that...
We didn't talk or touch each other as much as before anymore...
Narukami city library
But one day
SAYO, IT'S 5 PM.
AH.
GO HOME.
AH.
WOW, YOU REALLY WORK HARD.
YOU CAN REALLY CONCENTRATE, HUH.
BUT DON'T FORCE YOURSELF, OKAY?

I CAN STAY TO STUDY A BIT TOO.
I WANT TO GO HOME WITH YOU.
NO.
MOM AND DAD WERE ANGRY BECAUSE YOU BROKE THE CURFEW JUST THE OTHER DAY. REMEMBER?
BUT I'LL BE FINE AS LONG AS I'M WITH YOU, RIGHT?
NO YOU WON'T!
JUST DO AS I SAY!
WHAT'S THAT MEAN... I'LL JUST BE A BOTHER TO HER IF I STAY HERE...?
I ONLY WANTED TO CHEER HER ON FROM THE SIDE...
STOP BOTHERING YOUR SISTER, SAYO.
MY EXAM IS COMING SOON.
I WANT TO BE ALONE SO I CAN CONCENTRATE.
PLEASE.
OKAY...
My sister wasn't looking at me anymore...

To be continued
